Lump sum scheme and challenges

CirInWater Services for SMEs

CirInWater

Lump sum scheme

 Innovation lump sum	 Knowledge lump sum	 Internationalisation lump sum
Goal: Innovative water-smart solutions (min. TRL5). Address challenges in the agri-food and energy-intensive industry.	Goal: External support on strategic issues that will accelerate the SMEs' triple transitions.	Goal: Travel and accommodation for Meet-the-buyer events and international fairs/events (targeted by CirInWater).
Type of call: Closed: 1 call	Type of call: Open	Type of call: Open
Type of participation: Individual SME or collaborative	Type of participation: Individual SME	Type of participation: Individual SME
Estimated number of beneficiaries: 14-42 SMEs	Estimated number of beneficiaries: 40-50 SMEs	Estimated number of beneficiaries: 20-25 SMEs
Maximum amount per SME: 60 000€ lump-sum	Maximum amount per SME: 4 000€ lump-sum	Maximum amount per SME: 2 000€ lump-sum
Total budget: 850 000€	Total budget: 160 000€	Total budget: 40 000€
29th March – 31st May 2023 Open for 2 months	7th June 2023 Until exhaustion of budget	Beginning 2024 Until exhaustion of budget

Challenges

- Reducing water risk

- #1. New water sources to reduce water stress
 - #2. Developing and testing scalable and affordable solutions
 - #3. Developing and testing affordable smart water use and efficient technologies
-

- Circular economy

- #4. Resource recovery
 - #5. Resource production
 - #6. Water reuse
-

- Digitalisation

- #7. Smartening the agrifood and EII water systems: Big data, Earth observation, sensor/monitoring tools, robotics, machine learning, artificial intelligence, DSS, leak detection and/or scenario analysis
-

- Water quality monitoring and water treatment, remediation and disinfection

- #8. Water quality control
- #9. Water treatment and disinfection
- #10. Contaminants of emerging concern, viruses and/or micropollutants

✓ If a project addresses a challenge not included in the list but is dully justified, it could still be eligible.

Zoom on the Innovation lump sum: Guide for applicants

Eligible activities

- Link to develop and implement water-smart solutions for **agri-food** and **energy-intensive** industries

- Scaling up and close to market activities like **prototype development**, **testing** and **demonstrating** technologies

- TRL 5-9

Where?

Page 2-3

Different options to participate

- Focus on European SMEs; individually or in a consortium (max. 3)
-

- Project coordinator and project partner
-

- Project Collaborators; no funding
-

- Subcontracted organisation

Where?

Page 2 + 7

Funding conditions

- Lump Sum
 - Fixed amount, defined up-front
 - No detailed financial reporting

- Min. €20.000, max. **€60.000 per SME**; possibility to apply for different lump sum schemes

- Payment schedule
 - 50% prepayment after signature Grant Agreement
 - 50% after approval Final Report

Where?

Page 5-6 + 19-20

Funding conditions

- Eligible cost categories
 - Staff costs; hours
 - Subcontracting; external expertise
 - Purchasing costs; travel, equipment depreciation, etc.

- Budget plan (2.3.4 Resources) one of the most important evaluation criteria

- Payment to each beneficiary **individually**

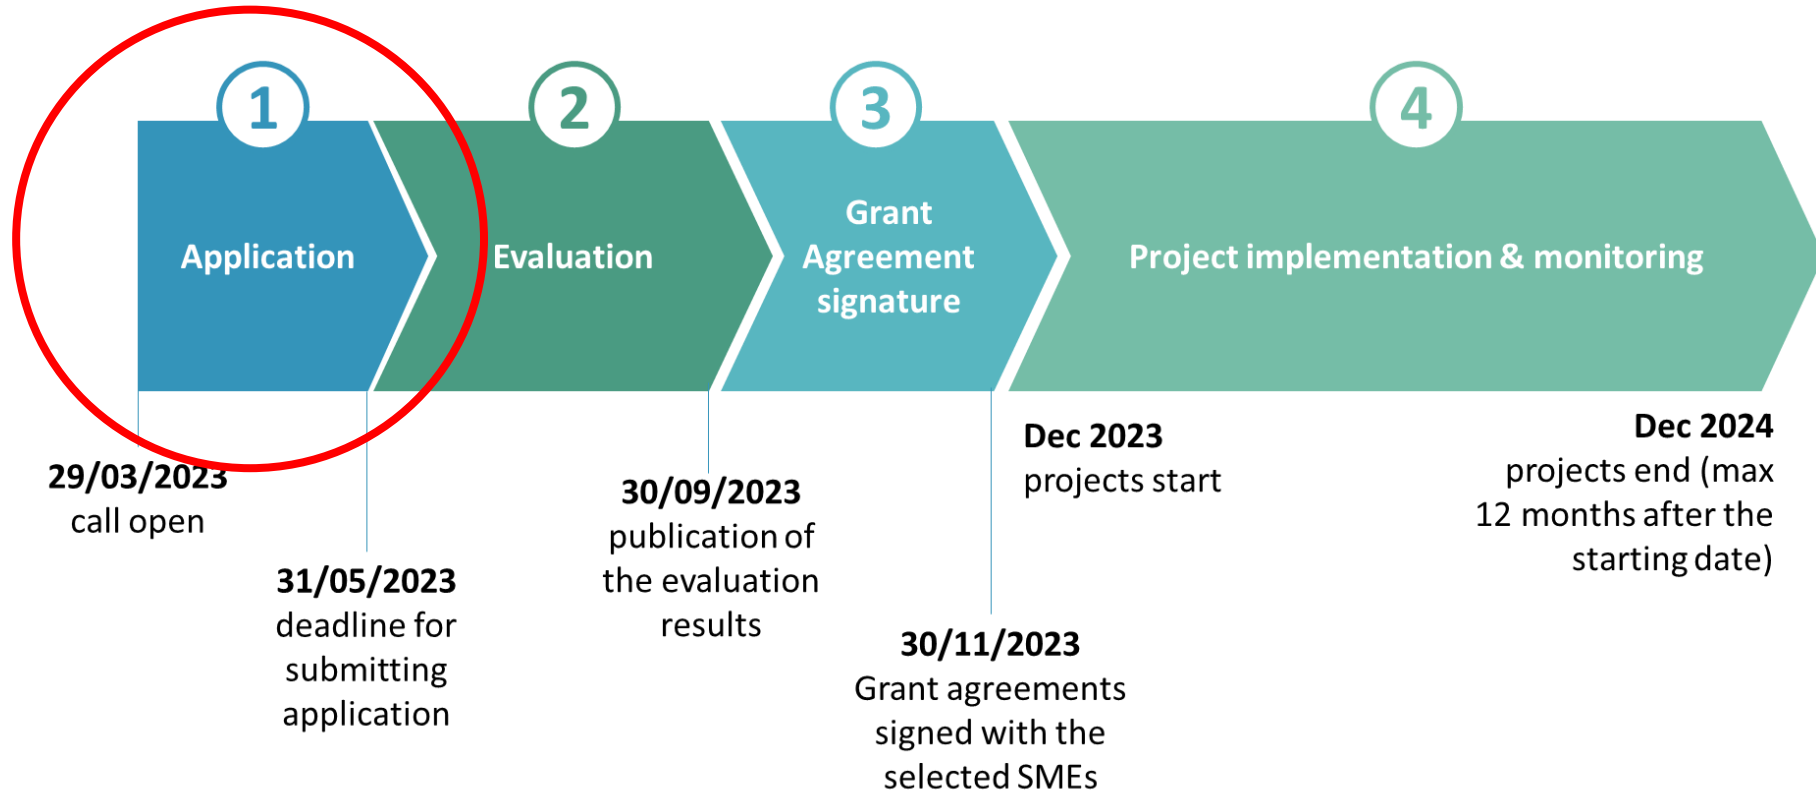

Where?

Page 5&6

Overall process

Application process

- Call period
 - Opening; March 29, 2023, 12:00 AM CET
 - Closure; May 31, 2023, 05:00 PM CET
-

- CirclnWater submission platform
-

- Project coordinator or project partner
-

- Focus of the application (form)
 - Administrative / legal information
 - Project description
 - Declarations / signature

Where?

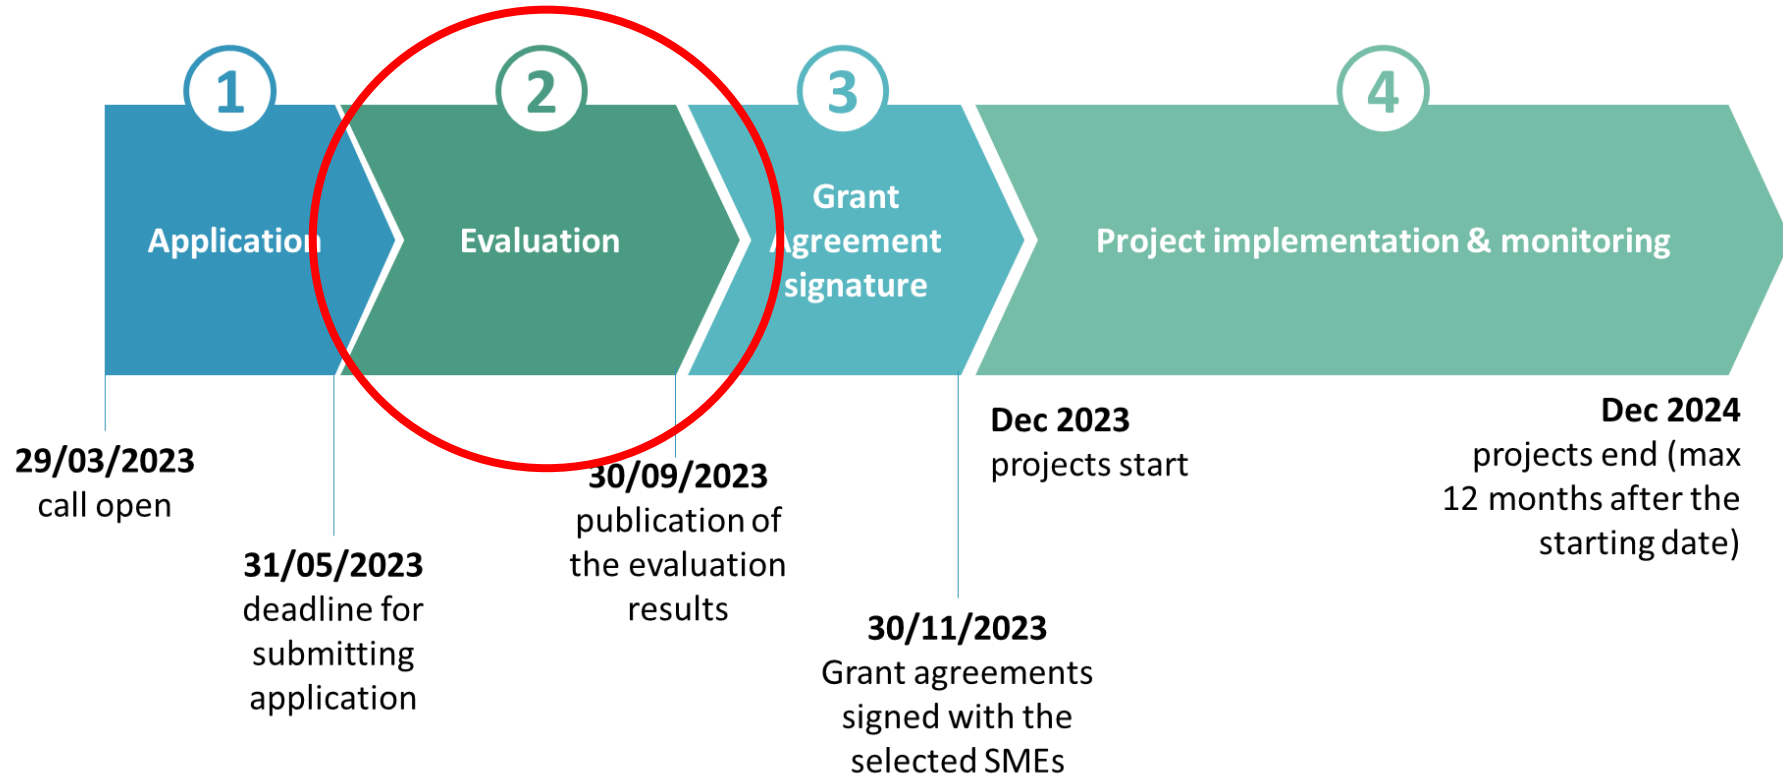

Page 7-10

Co-funded by
the European Union

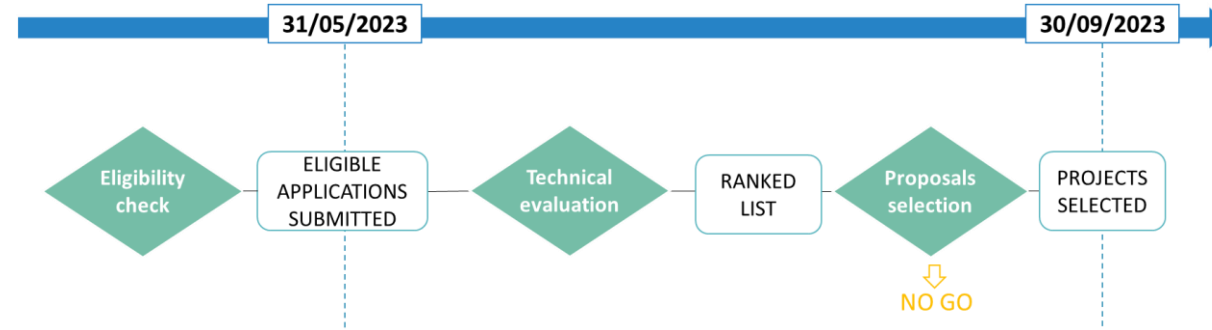

Overall process

Evaluation process

General

- Will last max. 4 months; no later than 30/09/2023

- Publication of results via Submission platform + ECCP website

- 3 steps
 - Eligibility check
 - Technical evaluation
 - Selection

Where?

Page 11-16

Evaluation process

Step 1: Eligibility check

- be an **SME** according to the [SME definition of the EU](#)

- be established in one of the **eligible countries**: EU Member States or other specific associated countries

- be a member of a cluster organisation registered on the [European Cluster Collaboration Platform \(ECCP\)](#)

- Don't request more than €60 000 within CirclnWater lump sum schemes (innovation, knowledge, internationalisation)

- Duration; max. 12 months

- TRL 5-9

Where?

Page 11-12

Evaluation process

Step 2: Technical evaluation

- Evaluation Committee; CIW project partners

- Criteria:
 - Excellence
 - Impact
 - Quality and efficiency of the work plan; **Budget plan!!**
 - Bonus point; Collaborative projects

- Equal scores?
 - Women-led SMEs
 - SME(s) established in EU-13 country
 - SME(s) involved in EU ClusterXchange programme
 - SME(s) established in less developed region

Where?

Page 12-14

Evaluation process

Step 3: Selection

- Evaluation **check** by independent external expert

- **Not** a re-evaluation

- List of selected projects + reserve list

- Results will be communicated via email to the applicants

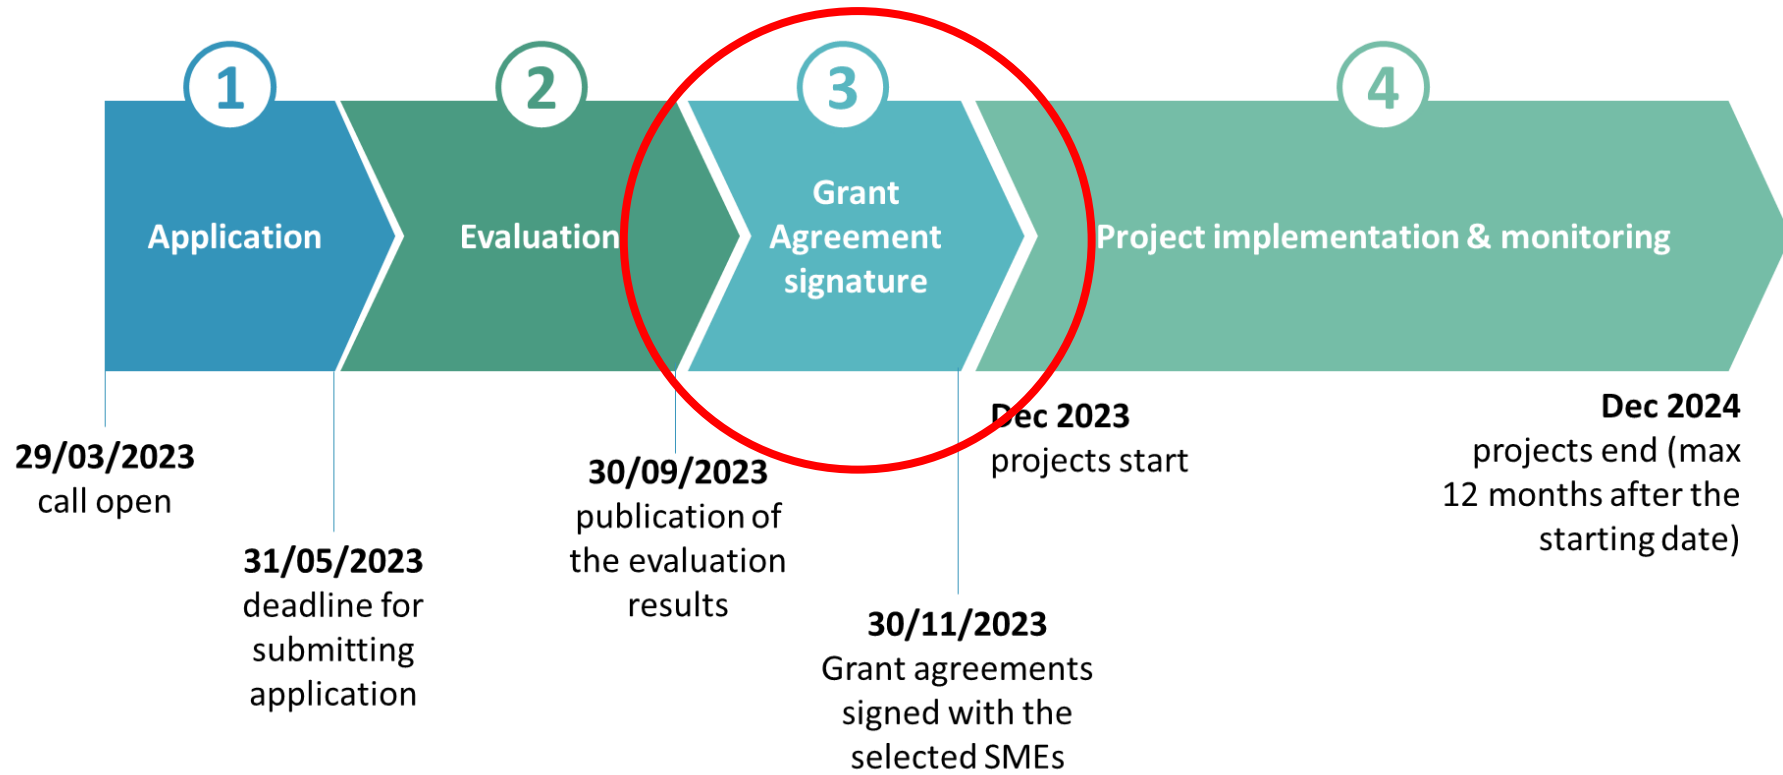

Where?

Page 15-16

Overall process

Grant agreement (GA) signature

- Individual contracts between CIW project and selected SMEs
-

- Important dates

- Signatures no later than 30/11/2023
 - Start projects no later than 01/12/2023
-

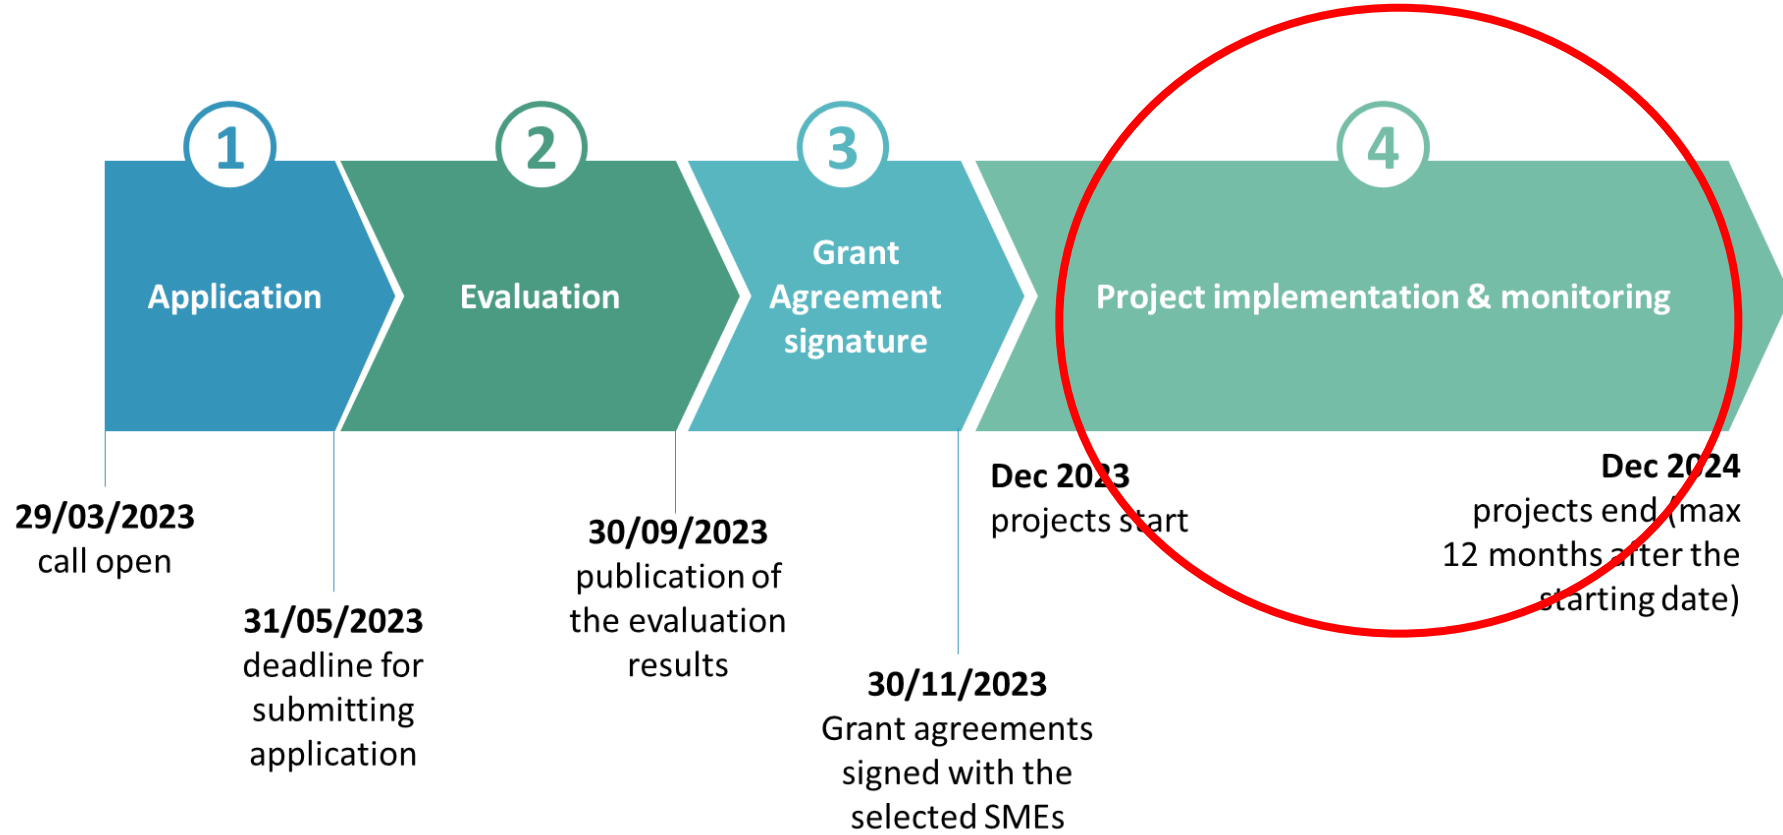

- Projects can only start **after** signing GA
-

- Promotion and dissemination requirements

Where?

Page 17-18

Overall process

Co-funded by the European Union

Project implementation & monitoring

- Your point of contact – local ‘sponsors’

- Mandatory meetings / check points
 - Month 3 – start of the project
 - Month 6 – project running according to plan
 - (If necessary) Month 9

- Mandatory final report; 30 days after project end

Where?

Page 19-20

Application form

Application form structure

-1- Administrative & legal information

- Project partner information
- Eligibility check
- Additional project information

-2- Project description

- Excellence
- Impact
- Quality & efficiency of the implementation

-3- Declarations

- Online Declaration of honor
- Application submission

Section 1 - Administrative & legal information

Good to know

✓ Project stakeholders

PROJECT COORDINATOR

- Mandatory
- SME responsible for the proposal submission
- Main role in the project implementation & requesting funding

≠

PROJECT PARTNER(S)

- Optional
- SME contributing in the project implementation
- Role clearly defined and requesting funding

≠

PROJECT COLLABORATOR(S)

- Optional
- Non-eligible or no-funded entities (RTOs, or large companies)
- Support the project implementation (demo sites/industrial partners...)
- Highly recommended

✓ Check carefully the eligibility criteria

Section 2 - Project description

40 pts
/125

Excellence

! Good to know

EVALUATION CRITERIA:

- ✓ The solution has an innovation potential **aligned with a real challenge of Agri-food or Energy-Intensive Industries**, and goes **beyond state-of-the-art** compared to existing or competing/ existing solutions
- ✓ The **objectives defined are clear and realistic**, considering the project duration and scope
- ✓ The **methodology to address the objectives** is clearly defined and solid

Section 2 - Project description

40 pts
/125

Impact

EVALUATION CRITERIA:

- ✓ The water smart solution will increase **digitalisation, sustainability and resilience** in the target industry
- ✓ The solution will have a **sound impact on the whole value chain**, considering providers and end users, and will be available in Europe and also **integrating components produced in Europe**
- ✓ The **strategy to up-scale the solution and achieve the market is clearly defined and realistic**. A clear **business continuity plan** for the solution considering both the technology development phase and the commercialisation is defined
- ✓ Realistic and relevant description of **how the innovation will impact the participating companies** is included

Section 2 - Project description

45 pts
/125

Quality and efficiency of the implementation

! Good to know

EVALUATION CRITERIA:

- ✓ Relevant expertise:
 - *For individual SMEs: expertise for addressing the challenge proposed.*
 - *For consortium: quality, and complementarity of the participants and the extent to which the consortium, as a whole, brings together the necessary expertise*
- ✓ Suitable structure of the work plan, including high quality and effectiveness of the work plan, and realistic identification of critical risks and uncertainties
- ✓ Balance the allocation of tasks and resources, ensuring that all participants have a valid role and adequate resources in the project to fulfil that role

* Note that for applications involving 'Project Collaborator(s)', it is highly encouraged to join a Letter of Support from each "Project Collaborator" to demonstrate the interest and willingness to contribute in the project

Section 3 - Declarations

A yellow callout box with a white exclamation mark icon in the top left corner, containing the text 'Good to know' in white font.

Good to know

- ✓ Online declaration of honor
- ✓ Disclaimers
- ✓ CircInWater terms & conditions
- ✓ Privacy declaration

⇒ Submission

Review carefully your application before the submission. It will not possible to edit the application after submitting.

Usefull resources

! Good to know

APPLICATION FORM TEMPLATE

Word document to work offline

Download the application form template

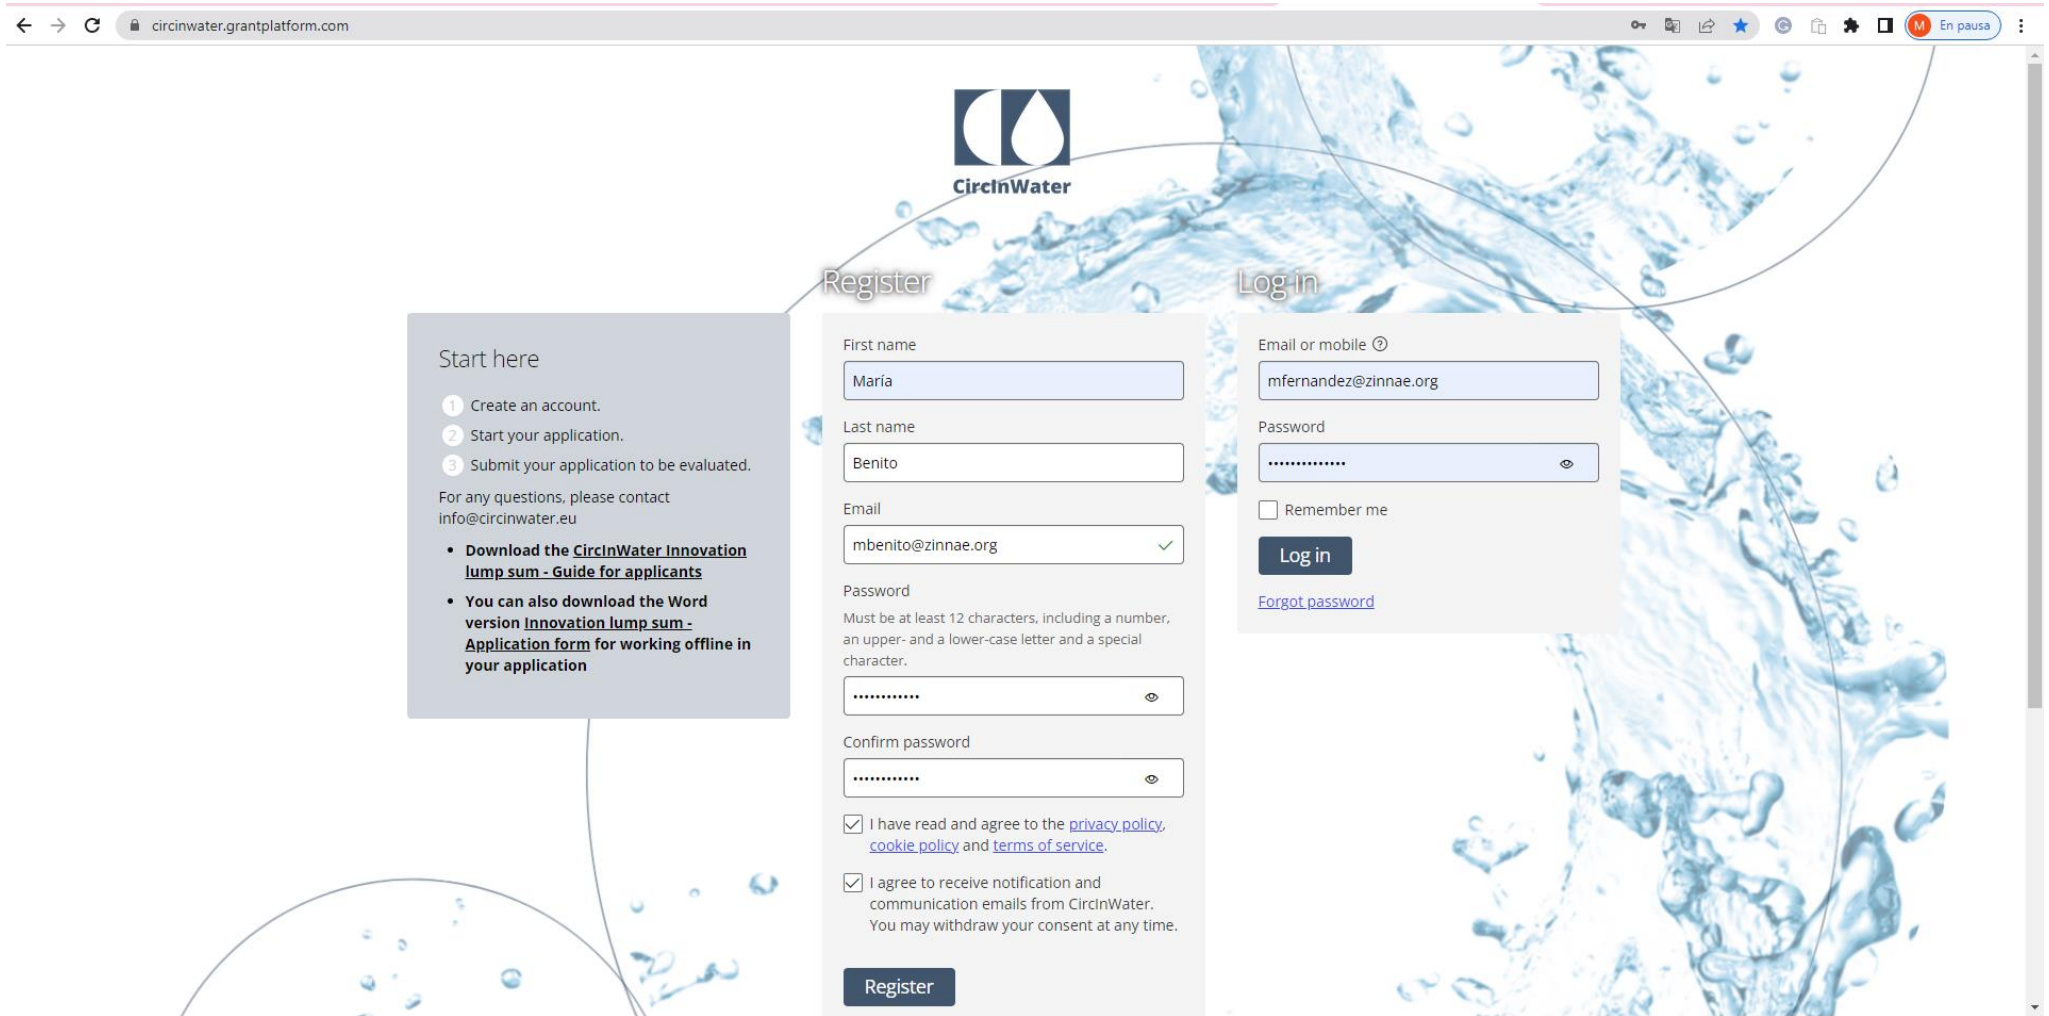

Note: This is not the official Application Form. CirclnWater applicants must apply by completing and submitting an online Application Form via the [CirclnWater submission platform](#). Application forms received in any other way will not be considered.

Submission platform

Submission platform- registration

The screenshot shows the registration page for the CirclnWater grant platform. The browser address bar shows the URL circlnwater.grantplatform.com. The page features the CirclnWater logo at the top center. Below the logo, there are two main sections: "Register" and "Log in".

Register Section:

- First name:** Maria
- Last name:** Benito
- Email:** mbenito@zinnae.org
- Password:** [masked]
- Confirm password:** [masked]
- I have read and agree to the [privacy policy](#), [cookie policy](#) and [terms of service](#).
- I agree to receive notification and communication emails from CirclnWater. You may withdraw your consent at any time.

Log in Section:

- Email or mobile:** mfernandez@zinnae.org
- Password:** [masked]
- Remember me
- [Forgot password](#)

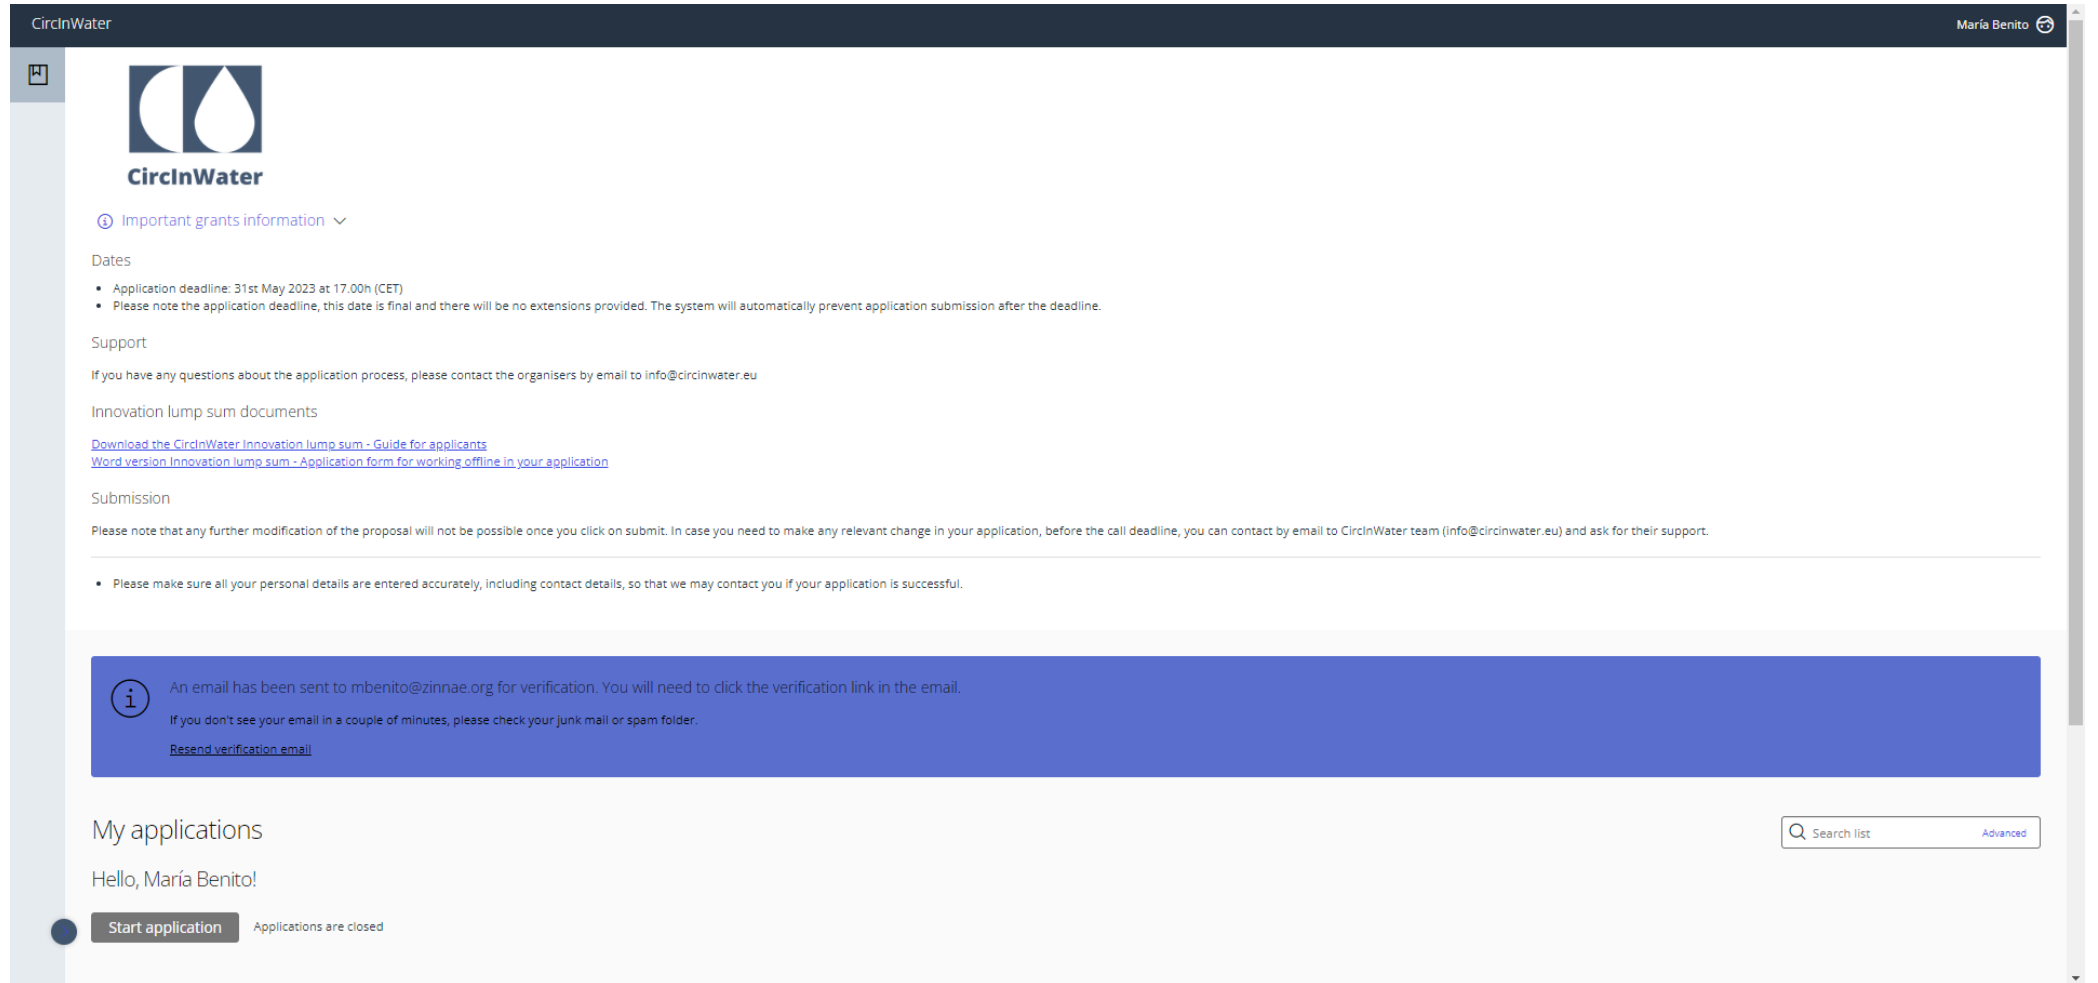

Start here sidebar:

- 1 Create an account.
- 2 Start your application.
- 3 Submit your application to be evaluated.

For any questions, please contact info@circlnwater.eu

- Download the [CirclnWater Innovation lump sum - Guide for applicants](#)
- You can also download the Word version [Innovation lump sum - Application form](#) for working offline in your application

Submission platform: confirmation email

The screenshot shows the CirclnWater submission platform interface. At the top, the user is identified as María Benito. The main content area is titled "Important grants information" and includes sections for "Dates", "Support", "Innovation lump sum documents", and "Submission". A prominent blue notification box states: "An email has been sent to mbenito@zinnae.org for verification. You will need to click the verification link in the email. If you don't see your email in a couple of minutes, please check your junk mail or spam folder. [Resend verification email](#)". Below this, the "My applications" section shows a "Start application" button and the text "Applications are closed". A search bar is located in the top right corner of the application list area.

The screenshot shows a web browser window with the URL <https://circinwater.grantplatform.com/entry-form/entrant/MVDjWgqr/edit?tabSlug=LBzdQQoY>. The browser's address bar shows the URL, and the page title is "CirclnWater". The user is logged in as "Marisa Fernandez-Soler".

The main content area displays the breadcrumb navigation: [My applications](#) → [Application form - innovation lump sum](#) → [Edit application](#). Below this, a note states: "All questions must be answered, unless marked optional."

A horizontal navigation bar contains several buttons: "Start here", "Eligibility check: Project Coordinator & Individual SME", "1.1 Project partner information", "1.3 Additional Information", "2.1 Excellence", "2.2 Impact", "2.3 Implementation: workplan", "2.3 Implementation: resources", "Supporting material", "3.1 Online declaration of honour" (which is currently selected), and "3.2 Application submission".

The main content area features a declaration section with a checkbox and the text: "The applicant declares the following:". Below this, a list of conditions is provided:

- all necessary internal authorisations have been obtained in order to permit the legal entity I represent to submit this application.
- all the information given in relation to this application is complete, accurate and correct.
- the legal entity I represent is committed to participating in and cooperating with the project, as described in this application, in accordance with the provisions set out in the agreement to be signed with the CirclnWater partnership.
- the legal entity I represent has stable and sufficient funding to maintain its activity throughout its participation in the project as described in this application.
- the legal entity I represent is not excluded from the possibility of obtaining EU funding under the provisions of both national and EU law.
- the legal entity I represent is not ineligible to apply for funding by a decision of both national and/or EU authorities.
- the legal entity I represent has not been granted until now any financial support for the project submitted, nor from any other national or international public funding mechanism and will notify the CirclnWater partnership in case of receiving any public funding as regards the same activities or a part thereof.
- the legal entity I represent has not been declared bankrupt or has initiated bankruptcy procedures.
- the legal entity I represent has no convictions for fraudulent behaviour, other financial irregularities, unethical or illegal business practices
- the legal entity I represent is not under liquidation or an enterprise under difficulty according to the Commission Regulation No 651/2014 art. 2.18.
- the legal entity I represent is not "in difficulty" as defined in 2.1 of the Community Guidelines and State Aid for Rescuing and Restructuring Firms in Difficulty (2004/C22/02) at the date of this declaration.

At the bottom of the form, there are four buttons: "Save + next", "Save + close", "Preview", and "Submit application" (which is highlighted in green).
